December 2011 Newsletter

*Seasons change &
so does your skin*

*You need to try our new &
amazing Cara Skin Care Line*

A richer moisturizer can keep your skin healthier and glowing. The Cold winter winds and lower temperatures can dry your skin. Your EIE Estheticians and Spa Staff are here to help you glow.

Bring back the moisture with these skin quenching products by Cara available to purchase at EIE MediSpa & Laser Centre.

Cara Face Nourisher – with Licorice & Yucca extracts.

Cara Hydra Gel – A light, oil-free gel highly soothing to your skin with an extra boost of moisture.

Cara Rosa Calm Serum – Containing a unique marine complex and willow herb to reduce redness and irritations and calm reactive skin conditions.

LCN Hand Cream

World renowned for its non-oily and quick absorbing, this cream revitalizes skin with proteins and vitamins while leaving a fresh calming scent. EIE has a variety of sizes available.

Give your hands extra love during the winter season by applying hand cream frequently!

Add a Paraffin treatment to your manicure, pedicure and even facial treatment while you are relaxing in your facial mask.

Did you know?

Sunshine can reflect on the snow.

Don't forget to wear sunscreen! Apply no less than an SPF15 at least 30 minutes prior to leaving the house. Cara Skin Care Advanced Protection Sunscreen SPF 30 keeps you moisturized with vitamins A, C and E while offering protection against the sun's rays.
